(xii) “Act of insolvency” means as it is designed by Presidency Town Insolvency Act or Provincial Insolvency Act or any act amending such originals.

(xiii) The words indicating the singular only also include the plural and vice-versa where the context so requires.

2. Contract Documents:

The following document shall constitute the contract document:

- (i) Notice Inviting Tender/Quotation
- (ii) General Terms & Conditions
- (iii) Specifications/Schedule of Quantities (Bill of Quantities) / Schedule of Work / Scope of work. / Revised Offer if any
- (iv) Work Order

3. Discrepancies in Deemed Contract Document & Adjustments thereof:

The document forming part of the contract are to be treated as mutually explanatory of one another and in case of discrepancy between schedule of quantities, the specifications, the following order of preferences shall be observed.

- a. Discrepancy in bill of Quantities of work.
- b. Particular specification and special conditions if any.
- c. General specification.

3.1 In the event of varying or conflicting provision in any of the documents (s) forming part of the contract, the accepting authority’s decision/clarification shall hold good with regard to the intension of the document or the contract as the case may be.

- 3.2 Any error in discrepancy, quantity or rate in the bill of quantities or any omission there from, shall not vitiate the contract or release the contractor from discharging his obligations under the contract including execution of work according to the drawings and specifications forming part of the particular contract document.
- 3.3 Any difference detecting in the Tender / Tenders submitted resulting form:
- (a) Discrepancy between description in word and figures, the rate, which corresponds to the word quoted by the contractor, shall be taken as correct.
 - (b) Discrepancy in the amount quoted by the contractor due to calculation mistake of the unit, rate and quantity, the unit rate shall be regarded as firm and amount corrected.
 - (c) Discrepancy in totaling or carry forward.
- 3.4 The tendered sum so corrected and altered shall be substituted for the sum originally tendered and considered for acceptance instead of the originally sum quoted by the Tenderer along with other Tender / Tenders. Rounding off to the nearest rupee should be done in the final summary of the amount instead of in totals of various sections of the offer.

4. Earnest Money and Security Deposit:

- 4.1 **The Earnest Money** may be deposited in cash at the cash counter of CMPDI, RI-I or in form of Bank Draft drawn in favour of “ CMPDI Ltd, Regional Institute, Asansol” from SBI or any Nationalized Bank payable at “Asansol”. The date and time of opening of Price bid or Part-II of the tender shall be communicated in due course of time after consideration of (first Envelope) Part I.

***NOTE:** No tender shall be considered unless accompanied by the said Earnest Money. However, if any State / Central Govt. Organisation / PSU & valid DGS&D / NSIC registered (for the tendered items) firms can produce documentary evidence issued by Government Authorities for according exemption towards submission of EMD/SD, they are exempted, as applicable from submission of EMD /Security Deposit.*

The Earnest Money will be retained in case of successful bidder and refunded to the unsuccessful bidder(s) in due course and it will not carry any interest. The EMD of the successful bidder will be dealt with as provided elsewhere in the tender document.

- 4.2 **The Security Deposit shall consist of two parts: (i) Performance Security and (ii) Retention Money.** The Earnest Money deposited by the successful bidder shall automatically be converted to first part of Security Deposit (S/D) that is “Performance Security”, which in total shall be 5% (five percent) of the award value/contract value or the revised contract value, if any.
- Thus the balance amount of “Performance Security” to make it 5% (five percent) of the “Award Value, shall have to be deposited by the awardees (contractors) within 15 (fifteen) days of receipt of Work Order /Acceptance Letter.** However, this balance amount may be deposited **in the form of Demand Draft, Bank Guarantee in prescribed form, Govt. Securities, FDR, NSC etc.** This Performance S/D shall be released within 1(one) month of completion of work (taking over certificate). **This shall not carry any interest.**

- 4.3 All bills of the contractor shall be paid at 95% (ninety five percent) of the 'Bill' / 'Work' value. This 5% (five percent) so accrued shall be retained as **2nd part of Security Deposit called "Retention Money"** and only be released **on completion of "Defect Liability Period" of one year** from the date of formal completion of the work. **This also shall not carry any interest.**
- 4.4 The Bank Guarantee towards security deposit shall be acceptable only for values above ₹ 50,000/- and the Bank Guarantee shall also be valid for a minimum period of one year or the period of contract plus the period of retention of security deposit. Bank Guarantee shall be irrevocable and from Nationalized Bank.
- 4.5 The Company shall be at liberty to deduct/appropriate from the security deposit such sums as are due and payable by the contractor to the company as may be determined in terms of the contract, and the amount appropriated from the security deposit shall have to be restored by further deduction from the contractors subsequent on account running bills, if any.
The refund of security deposit shall be subject to company's right to deduct / appropriate its due against the contractor under this contract or under any other contract.
- 4.6 On completion at the entire work and certified as such by the CSR Committee / Chairman CSR Committee and on passing of the final bill by the CSR Committee, the Security Deposit that is **"Retention Money" shall be refunded** to the contractor on the expiry of one year from the date of completion as certified by the CSR Committee subject to the following conditions:
- a) Any defect / defects in the work, it detected after issue of completion certificate is / are rectified to the satisfaction of the CSR Committee within the said period of one year.

5. Abnormally High Rate (AHR) and Abnormally Low Rate (ALR) Items:

- 5.1 The condition of Abnormally High Rate (AHR) and Abnormally Low Rate (ALR) shall apply. The ceiling is +/- 20%. Rates quoted above or below this ceiling limit shall be considered as AHR or ALR respectively.
- 5.2 For abnormally Low Rate item(s), the contractor shall have to deposit with the company the difference of amount calculated between the departmental justified rate (which in case is the estimated rate) multiplied by the quantity of that particular ALR item and the ALR quoted by the contractor multiplied by the quantity of the same item. The total amount to be deposited will be the sum total of all the identified ALR Items calculated as stated above.
- 5.3 The amount so retained will be refunded on successful completion of the individual ALR Item (s) of work and shall not carry any interest.

6. Time of completion of contract, Extension thereof, Defaults and Penalties:

Time is the essence of the contract/work order and as such all works shall be completed within the time stipulated in the contract/work order.

- 6.1** If the contractor without reasonable clause or valid reason, commits defaults in commencing the execution of the work within the 10 days time limit, the company shall without prejudice to any other right or remedy, by a liberty, by giving 15 days notice in writing to the contractor to commence the work, to forfeit the Earnest Money deposited by him and to rescind the Letter of Acceptance of Tender / Work Order. Additionally, the Company will reserve the right to debar such defaulting Contractors from participating in future Tenders for a minimum period of 1 (one) year.
- 6.2** If the contractor fails to maintain the required progress in terms of the agreed time or to complete the work on or before the scheduled date or extended date of completion, he shall, without prejudice to any other right or remedy available under the law to the company on account of such breach, pay as agreed compensation the amount calculated at the rates stipulated below or such smaller amount as the CSR Committee (whose decision in writing shall be final and binding) may decide on the amount of contract value of unfinished work for every completed week that the progress remains below that specified in the agreed time.

This will also apply to items or group of items for which separate period of completion has been specified: -

- (i) Completion period (as originally stipulated) not exceeding two months @1/2% per week
- (ii) Completion period (as originally stipulated) exceeding two months @ 1/2% per week.

Provided always that the total amount of compensation for delay to be paid under this condition shall not exceed 10% of the contract value of work or of the contract value of the item or group of items of work for which a separate period of completion is originally given.

The amount of compensation may be adjusted or set-off against any sum payable to the contractor under this or any other contract with the company.

6.3

- (a) The Company may at its sole discretion, waive the payment of compensation on request received from the contractor indicating valid and acceptable reasons if the entire work is completed within the date as specified in the contract/work order or as validity extended date without stipulating any compensation for delay.
- Or
- (b) If the progress of the work or of any portion of the work is unsatisfactory, the CSR Committee shall be entitled, after giving the contractor 15 days' notice in writing, to employ another Agency for executing the job or to carry out the work departmentally either Wholly or Partly debiting the contractor with the cost involved in engaging another Agency or the cost involved in executing the work departmentally, as the case may be. The certificate to be issued by the CSR Committee for the cost of the work so done shall be final and conclusive and the extra cost, if any, shall be borne by the contractor.

6.4 Extension of date of completion: On occurrences of any events causing delay as stated, hereunder, the contractor shall intimate immediately in writing to the CSR Committee.

(a) Force Majeure: - (i) Natural phenomena, including but not limited to abnormally bad weather, unprecedented flood and draught, earthquakes & epidemics.

(ii) Political upheaval, civil commotion, strikes, lockouts, acts of any Govt. (domestic / foreign) including but not limited to war, proprieties, quarantine embargoes.

The successful bidder will advise in the event of his having to resort to this clause by a registered letter duly certified by the local chamber of commerce or statutory authorities, the beginning and end of the cause of delay, within fifteen days of the occurrence and cessation of such Force Majeure condition.

In the event of delay due to Force Majeure for more than one month the contract may be terminated at the discretion of the company. Termination under such circumstances will be without any liability on either side.

(b) Serious loss or damage by fire.

(c) The execution or modification or additional items of work or excess quantity of work.

(d) Any other cause, which, at the sole discretion of the company, is beyond the control of the contractor.

6.4.1 The contractor shall request the company in writing for extension of time within 15 days of happening of such event causing delay stating also, the period for which extension is required. The company may, considering the genuinity of the request, give a reasonable extension of time for completion of the work. Such extension will be communicated to the contractor in writing by the company through CSR Committee within 1month of the date of receipt of such request.

6.4.2 The opinion of CSR Committee whether the ground shown for the extension of time is or is not reasonable is final. If the CSR Committee is of the opinion that the ground shown by the contractor are not reasonable and declines to the grant of extension to time, the contractor cannot challenge the soundness of the opinion by reference to arbitration.

The opinion of CSR Committee that the period of extension granted by him is proper or necessary is not, however, final. If the contractor feels that the period of extension granted is inadequate he can appeal to the Regional Director, RI-I, CMPDI for consideration on the question whether the period of extension is or is not proper or necessary.

6.4.3 Provisional extension of time may also be granted by the CSR Committee during the course of execution, on written request of extension of time within 15 (fifteen) days of happening of such event as stated above, reserving the company's right to impose/waive penalty at the time of granting final extension of time as per contract agreement/work order.

- 6.4.4** When the period for the completion of the contract is about to expire, the question of extension of the contract may be considered at the instance of the contractor or the Department or of both. The extension will have to be by Party's agreement, express or implied.

The contractor shall however use his best efforts to prevent or make good the delay by putting endeavors constantly as may be reasonably required to him to the satisfaction of CSR Committee.

7. Material supply and other facilities:

The company does not undertake any responsibility for supply of any material and labour. All charges on account of octroi, terminal or sales tax and other duties on materials obtained for the works from any source shall be borne by the Contractor.

8. Quality Assurance – Materials and Workmanship:

- 8.1** The contractor shall carry out and complete the work in every respect in accordance with the contract/work order and shall ensure that the work conforms strictly to be specifications, instructions of the CSR Committee.

- 8.2** The company, through the CSR Committee, shall have full powers to reject any materials or work due to a defect therein for not conforming to the required specification, or for materials not being of the required quality and standard or for reasons of poor workmanship or for not being in accordance with the sample approved by him. The contractor shall forthwith remedy the defect / replace the materials at his expense and no further work shall be done pending such rectification/replacement of materials, if so instructed by the CSR Committee / Chairman CSR Committee.

- 8.3** The CSR Committee shall be entitled to have test carried out for any material, according to the standard practice followed for such test, other than those for which satisfactory proof has already been furnished by the contractor who shall provide at his expense all facilities which the CSR Committee may require for this purpose.
The cost of any other test, if so required by the CSR Committee shall be borne by the contractor only.

- 8.4 Access to the work:** The CSR Committee and any person authorized by the company shall at all time have access to the work and to all workshop and place where the work is being prepared and from where material, manufactured articles are being obtained for the work and the contractor shall effort every facility for and every assistance in or obtaining the right of such access.

- 8.5 Inspection of work:** No work shall be covered up or put out of view without the approval of the CSR Committee or Committee's representative or any other officer nominated by the Company.

8.6 Devaluation of Work: In lieu of rejecting work done or materials supplied not in conformity with the contract/work order/approved samples, the CSR Committee or any other officer nominated by the company for the purpose may allow such work or materials to remain, provided the CSR Committee /the officer nominated by the company is satisfied with the quality of any materials, or the strength and safety of the work. And in that case shall make such deduction for the difference in value, as in Committee's opinion may be reasonable.

8.7 Final Inspection of Work: The CSR Committee and any other officer nominated by the company for the purpose shall make final inspection of all work included in the contract/work order, or any portion thereof, as soon as practicable after notification by the contractor that the work is completed and ready for acceptance. CSR committee can ask the contractor to bring the materials to RI-I CMPDI, Asansol for final inspection before they are supplied to the said school mentioned in the Tender Notice. If the work is not acceptable to the CSR Committee at the time of such inspection, he shall inform the contractor in writing as to the particular defects to be remedied before final acceptance can be made.

8.8 Defects appearing after acceptance: Any defects which may appear within the defect liability period and arising, in the opinion of the CSR Committee, from lack of conformance with the specifications, shall, if so required by the CSR Committee in writing, be remedied by the contractor at his own cost within the time stipulated by the CSR Committee may employ other persons to remedy the defects and recover the cost thereof from the dues of the contractor.

8.9 Defective Materials: All materials not conforming o the requirements of the specifications shall be considered as defective, and all such materials, whether in place or not shall be rejected. They shall be removed immediately by the contractor at his expenses and replaced with acceptable material.

9. Payments:

9.1.01 The payments shall be released against the final bill subject to all deductions which may be made on account of materials supplied and any other dues payable by the contractor to the company, and further subject to the contractor having given to the CSR Committee, a no claim certificate. The final payment to be made will also be subject to clause-4.5 of the General Terms & Conditions of the contract.

9.1.02 The company reserve the right to recover/enforce recovery of any over payments detected after the payment as a result of post payment audit or technical examination or by any other means, notwithstanding the fact that the amount of disputed claims, if any, of the contractor exceeds the amount of such overpayment and irrespective of the facts whether such disputed claims of the contractor are the subject matter of arbitration or not.

The amount of such over payments shall be recovered from subsequent bills under the contract, failing that from contractor's claim under any other contract with the company or from the contractor's security deposit or the contractor shall pay the amount of over payment on demand. In case of contractor's non-payment on such demand, the same should be realized from the contractor's dues, if any, with Coal India Limited or any of its subsidiaries.

9.1.03 The contractors are required to execute all works satisfactorily and according to the specifications laid down in the contract/work order. If certain items of work, executed by the contractor, are below specifications, the contractor should re-do them according to the specifications and instructions of CSR Committee and if the contractor fails to rectify the defect within the time and in the manner specified by the CSR Committee, the work shall be got re-done or rectified by the department at the risk and cost of the contractor. CSR Committee may accept such work of below specifications provided the department is satisfied with the quality of such works and the strength/structural safety of such works. In that case CSR Committee shall make such deductions for the difference in value, as in his opinion is reasonable and is approved by the accepting authority of the company i.e. Chairman CSR Committee/ RD,RI-I in this case or any other officer nominated by the management for the purpose.

9.2 Taxes as applicable shall be deducted from each bill. Sales tax on works contract/VAT shall be payable by the contractor. If, however, the company is asked to make deduction from the contractor's bills, the same shall be done and a certificate to this effect shall be issued to the contractor for dealing with the State Govt. and the company does not take any responsibility to do anything further in this regard.

9.3 No interest shall be payable on the amounts withheld, under the terms of the Contract Agreement/Work-order.

10. Termination, Cancellation, Suspension and Foreclosure of Contract:

The company shall, in addition to other remedial steps to be taken as provided in the conditions of contract be entitled to cancel the contract in full or in part, if the contractor: -

- d) On the death of the contractor being a proprietary concern or of any of the partners in the case of a partnership concern and the company is not satisfied that the legal representative of the deceased proprietor or the other surviving partners of the partnership concern are capable of carrying out and completing the contract. The decision of the company in this respect shall be final and binding which is to be intimated in writing to be legal representative or to the partnership concern.

10.2 On cancellation of the contract or on termination of the contract, the CSR Committee shall have powers:

- a) To take possession of the materials, constructional plant, equipments, stores etc. thereon.
- b) To carry out the incomplete work by any means at the risk and cost of the contractor.
- c) To determine the amount to be recovered from the contractor for completing the remaining work or in the event the remaining work is not to be completed the loss/damage suffered, if any, by the company after giving credit for the value of the work executed by the contractor up to the time of cancellation less on a/c payments made till date and value of contractor's materials, plant, equipments, etc. taken possession of after cancellation.
- d) To recover the amount determined as above, if any, from any money due to the contractor on any account or under any other contract and in the event of any shortfall, the contractor shall be called upon to pay the same on demand. The need for determination of the amount of recovery of any extra cost/expenditure or of any loss/damage suffered by the company shall

not however arise in the case of termination of the contract for death/demise of the contractor as stated in clause 10.1 (d) of the contract.

- e) To give the contractor or his representative of the work 7 (seven) days notice in writing for taking final measurement for the works executed till the date of cancellation or termination of the contract. The CSR Committee shall fix the time for taking such final measurement and intimate the contractor in writing. The final measurement shall be carried out at the said appointed time notwithstanding whether the contractor is present or not. Any claim as regards measurement which the contractor is to make shall be made in writing within 7 (seven) days of taking final measurement by CSR Committee as aforesaid and if no such claim is received, the contractor shall be deemed to have waived all claims regarding above measurements and any claim made thereafter shall not be entertained.

10.3 Suspension of Work:

- i) The company shall have power to suspend the work or any part thereof and the CSR Committee may direct the contractor in writing to suspend the work, for such period and in such manner as may be specified therein, on account of any default on the part of the contractor, or for proper execution of the work for reasons other than any default on part of the contractor, or on ground of safety of the work
- ii) In the event of suspension for reasons other than any default on the part of the contractor, extension of time shall be allowed by the company equal to the period of such suspension and the contractor shall properly protect and secure the works to the extent necessary during such suspension.

The contractor shall carry out the instructions given in this respect by the CSR Committee & if such suspension exceeds 45 (forty five) days, the contractor will be compensated on mutually agreed terms.

10.4 The work shall, throughout the stipulated period of contract, be carried out with all due diligence on the part of the contractor. In the event of termination or suspension of the contract, on account of default on the part of the contractor, as narrated hereinbefore, the security deposit and other dues of this work or any other work done under this company shall be forfeited and brought under the absolute disposal of the company provided, that the amount so forfeited shall not exceed 10 (ten) percent of the contract value.

10.5 Foreclosure of contract:

If at any time after acceptance of the tender the company decides to abandon for any reason whatsoever the company, through its CSR Committee, shall give notice in writing to that effect to the contractor. In the event of abandonment the company shall be liable: -

- a) To pay reasonable amount assessed and certified by the CSR Committee of the expenditure incurred, if any, by the contractor on preliminary works at site e.g. temporary access roads, temporary construction for labour and staff quarters, office accommodation, storage of materials, water storage tanks and water supply for the work including supply to labour/staff quarters, office etc.
- b) To pay the contractor at the contract rates full amount for works executed and measured at site up to the date of such abandonment.
